

Edgewood Primary School

Building skills and values for life

Friday, 10 July 2026

Things are starting to get very busy in school now as we approach the last two weeks of term. This week, we had the amazing Rock Steady concert; I am sure those of you that watched will agree the children did a superb job and we are already looking forward to the Christmas concert! I would also like to thank the PTA for bringing in all children and staff ice pops; they were very much appreciated!

A Message from the Government - Great British Summer Savings

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month, the Chancellor announced the Great British Summer Savings scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

The public are ready to get behind the scheme and are keen to take advantage of the discounts available. As trusted pillars of their communities, schools play a vital role in connecting families with important information.

This forms part of a broader effort by the Government to ease financial pressures on families. From ending the two-child limit and expanding free school meals, to rolling out free breakfast clubs and delivering 30 hours of free childcare, this Government is taking action to put more money back into parents' pockets and give every child the best possible start in life.

As part of this campaign, they have launched an attraction finder website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>

Headlice

There have been a few cases of head lice in school. It is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they can be allowed to spread

For further information on head lice, please see your pharmacist or visit <https://www.nhs.uk/conditions/head-lice-and-nits>

Edgewood School Sports Week

Edgewood once again celebrated an incredible sports week, packed with School Games Days, Orienteering, Cheerleading and our Active Class Reward. Throughout, the children's behaviour was exemplary and a real reminder of the power of sport to improve wellbeing.

Y1-Y6 School Games Day

Orienteering Day

A huge thank you to all the parents and relatives who supported us on our Orienteering Day – without your support it would not be possible for the event to go ahead. We had a fabulous day at Sherwood Pines with Team 5 for finding the most markers throughout the day.

EYFS School Games Day

Active Class Reward

A huge well done to all the classes that earned the Active Class Reward this year. Our Active Class Reward is focused solely on participating in our Active Class lunchtime activities throughout the year. This has been a culmination of a year of hard work for the classes involved. Every child has the possibility of joining in with these activities that take place every lunchtime, across the year and every time they do earn points towards their class score. The top 3 classes in each phase of school then got to enjoy the inflatables last Friday.

A group of children are running happily across a grassy field. The image is slightly blurred to convey a sense of motion. The children are wearing various casual summer clothes like t-shirts, dresses, and shorts. The background shows more children and greenery, suggesting an outdoor school setting.
