Building skills and values for life

Friday, 19 June 2026

Hand, Foot and Mouth - Over the last few days, we have had a number of cases of Hand, Foot and Mouth Disease in school. This is a viral infection which is common in children and is usually a mild illness that clears up after a few days. Children who have Hand Foot and Mouth Disease are able to come to school as long as they feel well. In rare cases, there can be complications. If your child has a confirmed case of Hand, Foot and Mouth Disease and displays any of the following additional symptoms, please seek medical advice straight away: high temperature (fever), headache, stiff neck, back pain.

P.H.E.W

(Parental Health and Emotional Wellbeing.)

Are you experiencing low mood, anxiety, finding being a parent difficult, struggling to cope, social isolation and/or loneliness?

Parenting can be challenging sometimes and cause some anxiety and stress. Our Service offers a group named "PHEW" which stands for Parental Health and Emotional Wellbeing.

PHEW offers a safe environment for parents to talk to others, as well as having the opportunity to undertake therapeutic activities.

- Get in touch by phone or email
- Scan the QR code
- Just walk into one of our Hubs where staff will be happy to help.
