Building skills and values for life

Friday, 20 November 2026

Dear parents/carers,

It was great to hear from all the teachers that parents evening went so well. The children enjoyed today's non uniform day and there is still time to donate to Children In Need if you haven't already done so https://donate.bbcchildreninneed.co.uk/

Finally, we have been truly overwhelmed by your generosity towards the Bags of Blessing appeal. Thank you so much for every single donation—your kindness will make a real difference.

Yours faithfully,
Mr Seeley

Hucknall Westville Pride in Place

Hucknall will receive £20 million of investment over the next 10 years through the Government's Pride in Place programme. This funding will support projects that improve everyday life from high streets, housing and jobs to health, safety, transport and opportunities for local people.

At the heart of this programme is a commitment to:

- stronger communities
- thriving places
- local people shaping their future

Have Your Say

The first phase of engagement for the programme has been extended, giving residents, businesses, community groups and local organisations the opportunity to help shape investment priorities for the next decade.

We want to hear what matters most to you, what is working well in the area, and where future investment could make the biggest difference. Your feedback will help inform priorities for the next decade and ensure that funding is directed towards the issues that are most important to local communities.

The survey is available to complete, alongside a range of engagement activities. Feedback gathered through this process will play an important role in determining how the funding is invested and ensuring it delivers lasting benefits for Hucknall.

Once the survey results and wider engagement feedback have been collated and reviewed, a further phase of engagement will take place. This will include another survey and further engagement activities seeking views on a proposed list of investment priorities, informed by the outcome of the first phase of engagement.

The results of both surveys and engagement activity will inform the Pride in Place Plan, which will be agreed by the Hucknall Neighbourhood Board and submitted to the Government by February 2027. The Plan will set out the investment priorities for Hucknall over the next decade and will continue to be shaped by community engagement throughout the delivery of the plan to ensure it is aligned with the needs of Hucknall's communities.

Progress Update

Positive progress has already been made in establishing the programme locally.

Following an independent recruitment process, Paddy Tipping has been appointed as Chair of the Pride in Place programme. Paddy is a strong champion for Hucknall and has been active in the town for more than 30 years, serving as both a Member of Parliament and as Nottinghamshire's Police and Crime Commissioner.

Reverend Rachael Burn, from St Peter and St Paul's Church in Hucknall, has been appointed as Vice-Chair. Reverend Burn is a passionate advocate for the town and brings extensive community knowledge and experience to the role.

Interest from the local community has also been encouraging. Expressions of interest were recently invited from residents, organisations and stakeholders who expressed an interest in being involved in shaping and delivering the programme. Following a review of applications, a dedicated Neighbourhood Board has now been established and Board membership was submitted to the Ministry of Housing, Communities and Local Government. The first Board meeting was held on Friday, 18 September.

The Board will continue to meet frequently to guide the programme and ensure local priorities are reflected in decision-making.

Stay Involved

This is the beginning of a long-term programme for Hucknall.

Once the first phase of engagement has closed, the feedback will be analysed, and a further phase of engagement will follow. This will seek views on the proposed investment priorities shaped by the outcome of the first phase of engagement.

Following the second phase of engagement, the results will be analysed to inform the submission of the Pride in Place Plan to the Ministry of Housing, Communities and Local Government by February 2027. Following submission of the Plan, community engagement will continue during the delivery phase.

Further updates and opportunities to get involved will be shared as the programme progresses.
