

Edgewood Primary School

Building skills and values for life

Friday, 26 June 2026

Firstly, I'd like to say a huge well done to the children on how they have coped during this very hot weather. They have been great and we are very proud of them. I would also like to remind you that unfortunately children **cannot share sun lotion**. Also a huge congratulations to the year 3/4 classes on their school performance which was brilliant - again they did so well in the hot weather. It was a wonderful show.

Important Reminder: School Dinner Bookings

To help us plan effectively and ensure we have the correct plans in place, all school dinners **must** be booked by the Sunday cut-off each week please.

Advance bookings allow us to accurately forecast meal requirements and reduce food waste. If a school dinner has not been booked by the Sunday deadline, we will be unable to guarantee a meal for your child. In these circumstances, parents will be asked to provide a packed lunch for that day.

We appreciate your support in helping us provide an efficient and sustainable meal service for all pupils. Thank you for ensuring bookings are completed on time.

RE Workshop

Year 3 and 4 recently enjoyed a special visit from the Open Centre in Derby, who led an engaging workshop about Islam. The children had the opportunity to explore Islamic beliefs, traditions and ways of worship.

They listened carefully, asked thoughtful questions and discovered many interesting facts. The children thoroughly enjoyed the experience and were keen to find out more about Islamic culture and practices.

Our visitor was extremely impressed with the children's excellent attitude, behaviour and enthusiasm for learning.

Family Hub

A reminder that we have Hayley Green visiting us from the Family Hub on Monday for Sports morning. She is happy to discuss the support she can offer to all parents.

The Hub can provide support with sleep problems, behaviour, emotional support and much more. They pride themselves in helping families get the right support at the right time. Their support can be accessed by following this link or scanning the QR code on the poster in the window in the school reception:
